Lower-Division (6 or 7 courses)

Choose from any of the following Math courses to complete 12 qtr-units for B.A. or 16 qtr-units for B.S. degree: Math 10A-B-C, Math 15A or CSE 20, Math 15B or CSE 21, Math 20A-B-C-D-E-F, Math 11.

- Math ___  __________  Cogs 1  __________
- Math ___  __________  Cogs 14  __________
- Math ___  __________  Cogs 18  __________
- Math ___  __________

Upper-Division (9 courses)

Completion of nine courses from the core sequences, which must include 2 courses in the COGS 101 series, 2 courses in the COGS 102 series, 2 courses in the COGS 107 series, Cognitive Science 109, and 2 additional courses from any of the core sequences.

- Cogs 101  __  __________  Cogs 10  __  __________
- Cogs 101  __  __________  Cogs 10  __  __________
- Cogs 102  __  __________  Cogs 109  __  __________
- Cogs 102  __  __________
- Cogs 107  __  __________
- Cogs 107  __  __________

UD Electives (3 or 6 courses)

Choose 3 elective courses for the B.A. degree (where 2 of the 3 electives must be taken within the Cognitive Science department), or 6 elective courses for the B.S. degree (where 3 of the 6 electives must be taken within the Cognitive Science department). Courses in the Cognitive Science 19X series (190A, 190B, 190C, 198, 199) may NOT be used as an elective to satisfy the major requirements for the B.A. degree. One course in the Cognitive Science 19X series may be used as an elective to satisfy the requirements for the B.S. degree, but only with the approval of both the instructor who supervised the course and the undergraduate advisor.
